COIMBATORE

The Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore, observed the International Day for Biological Diversi-

ty 2023 by organising a sapling planting programme on Monday.

IFGTB director C. Kunnikannan inaugurated the programme.

Saplings of indigenous tree species, including Fi-

cus racemosa, Annona muricata, Mitragyna parvifolia, Artocarpus heterophyllus, Ziziphus mauritiana and Phyllanthus acidus were planted in the botanical garden by officers and staff members.
