International Women's Day 2024 Celebrations by ICFRE-IFGTB EIACP PC RP

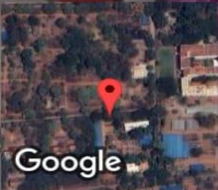

As part of Mission LiFE and in honor of International Women's Day 2024, EIACP (Environmental Information, Awareness, Capacity Building and Livelihood Programme) Programme Centre (erstwhile IFGTB ENVIS) at the ICFRE - Institute of Forest Genetics and Tree Breeding, Coimbatore organized a series of enlightening lectures and engaging activities aimed at empowering the women employees, research scholars, and students associated with our esteemed institution.

Among the highlights of this special occasion was a captivating lecture titled "Cohort of Women Change Makers," designed to inspire and motivate all women in our community. This insightful presentation shed light on the remarkable achievements of twelve distinguished Women Change Makers hailing from diverse fields, showcasing their exemplary contributions and successes. Through this lecture, we delved into the inspiring journeys of these trailblazing women who have made significant strides in their respective domains. From science and technology to social entrepreneurship, from arts and literature to environmental conservation, their stories resonated with perseverance, innovation, and resilience.

By highlighting the achievements of these remarkable individuals, we aimed to instill a sense of pride, empowerment, and determination among our women colleagues, research scholars, and students. Their stories serve as a testament to the limitless potential that lies within each of us, regardless of gender, and encourage us to pursue our aspirations with unwavering dedication and passion. Furthermore, this event provided a platform for networking, collaboration, and mentorship, fostering a supportive environment where women can thrive and excel in their chosen fields. It exemplified our commitment to promoting gender equality, diversity, and inclusivity within our institution and beyond.

As we celebrate the achievements of these Women Change Makers and commemorate International Women's Day, let us reaffirm our dedication to creating a more equitable and inclusive society where every woman has the opportunity to reach her full potential. Let us continue to champion the cause of women empowerment and gender equality in all aspects of our work and lives. Awareness posters highlighting the themes and actions of LiFE Mission were also distributed to all the women participants and LiFE Pledge was also taken.
