

IFGTB Celebrates 69th Independence Day

The 69th Independence Day was celebrated at the Institute of Forest Genetics and Tree Breeding, Coimbatore. The Director, **Shri R.S.Prashanth, IFS** hoisted the National Flag.

On that occasion, he delivered speech, wherein he mentioned that though India is following many religions, languages people are united, unity in diversity. He has also recollected our constitution maker Dr.B.R.Ambedkar especially about his contribution towards secularism. At this juncture he also mentioned about pollution of water bodies and air pollution, the consequences we are facing, how to overcome these problems etc., Further he added the role of Scientific forestry in country`s development.
