

Celebration of 'World Environment Day 2022'

Institute of Forest Genetics & Tree Breeding (IFGTB), Coimbatore

05 June 2022

The Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore celebrated World Environment Day 2022 in the Botanical Garden of the institute on 05th June 2022. '**Only One Earth**' is the theme of the World Environment Day for this year 2022. It focuses on climate action, nature action and pollution action while encouraging everyone, everywhere to live sustainably. On this special occasion, tree planting activities has been carried out in the Botanical Garden. Dr. A. Rajasekaran, Scientist and Head, FECC Division of the institute welcomed the participants. Dr. R. Yasodha, Group Co-ordinator Research, IFGTB inaugurated the event and highlighted the importance of World Environment Day and the need for reducing the waste and its safe disposal. Scientists, Technical staffs and Research fellows has participated in the event. Saplings of tree species such as *Azadirachtaindica*, *Prosopis cineraria*, *Terminaliabellicrica*, *Tamarindusindica*, *Syzygiumcumini*, *Cassineglauca*, etc. were planted in the Botanical garden.
