## Awareness campaigns for students mark World Soil Day

The ICFRE - Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore, organised various awareness campaigns for school and college students, general public and other stakeholders as part of observing the World Soil Day on Thursday. An awareness lecture on the theme 'Caring for Soils: Measure, Monitor, Manage' was given. An awareness quiz on soil was organised for students and the public between November 18 and December 5 and e-certificates were given to all participants. Copies of the awareness posters and handouts were distributed to various schools and the public in and around Coimbatore district, said a release.
