

The 69th Republic Day Celebration on 26th January 2018 was held at the Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore. Dr. S. Murugesan, Director of the Institute hoisted the National Flag and addressed to the gathering. He congratulated the efforts of the officers/scientists/staff of the Institute for displaying team spirit in all the activities of the Institute and he urged the staff to move on with the same enthusiasm and zeal. He remembered the role of various freedom fighters and the role of Dr. B.R. Ambedkar in preparing the constitution of India.
