

Republic Day at IFGTB, Coimbatore

The 68th Republic Day was celebrated on 26th January 2017 at Institute of Forest Genetics & Tree Breeding, Coimbatore. Sh.R.S.Prashanth, IFS, Director of the institute unfurled the National Flag and he addressed all the staff, officers and other family members. He remembered the role of Dr B.R. Ambedkar for the constitution and he informed the gatherings about the new clones to be released shortly by the Institute for increasing the productivity. After the ceremony, the staff, research scholars and their family members actively participated in various sports events organised in the institute. The programme concluded with prize distribution to the winners of various sports events.
