

## PROJECT PROFILE

**Title:** Evaluation of transgene-free genome engineering methods in *Eucalyptus*

**Principal Investigator:** Dr. Mathish Nambiar-Veetil, Scientist F

**Co Investigators:** Dr. V. Sivakumar, Scientist F

**Start and Completion dates:** 3 Years (2020-2023)

**Objectives:**

1. To evaluate *in vitro* approaches for transgene-free gene editing in *Eucalyptus*.

**Funding Agency:** NFRP- National Forestry Research Project

**Total Budget:** Rs. 24.48 Lakhs
