

## PROJECT PROFILE

<b>Title</b>	AICRP-10 Seed technology ; Developing seed testing and seed storage protocols of selected forestry species from diverse forest type
<b>Principal Investigator</b>	Dr.R. Anandalakshmi
<b>Co Investigators</b>	Dr.A.Vijayaraghavan
<b>Duration</b>	01/12/2019 to 01/03/2025
<b>Objectives</b>	Component 1: Fruit/Seed maturity and seed collection, processing and handling, Component 2: Investigating Seed Germination behavior of forestry species from various forest types, Component 3: Seed Storage physiology Component 3: Seed Storage physiology, Component 4: Correlating seed storage category with ecological parameters, Component 5: Extension and Capacity building.
<b>Funding Agency</b>	CAMPA
<b>Total budget</b>	Rs. 69.39 lakhs
