

PROJECT PROFILE

- Title** : **Development of seed production systems of commercially exploited tree species - an initiative for continuous supply of quality seeds and seedlings**
- Principal Investigator** : Dr. Rekha R. Warriar, Scientist F
- Co Investigator** : Dr. Kannan C.S. Warriar, Scientist F
D. John Prashanth Jacob Scientist F
Dr. R. Anandalakshmi, Scientist F
- Duration** : Four years
- Objectives** 1. To establish germplasm cum field gene bank and seed stand for production of quality seeds and seedlings
- Funding Agency** : National Medicinal Plants Board
- Total Budget** : Rs. 56.94 lakhs
