

PROJECT PROFILE

Title: Assessment of multipurpose tree species of Kerala for Eco restoration and developing strategies in genetic resource management.

Principle Investigator: Dr. A. Shanthi, Scientist-E

Co Investigators: Dr. A. Mayavel, Scientist-E
Dr. K. Pannerselvam, Scientist-D
Dr.K.N.Ashrith, Scientist-C
Dr. Muhammad Ali Noushad, Scientist-C

Short term objectives

- To assess genetic variability and population structure of *Albizia odoratissima*, *Terminalia paniculata*, *Acrocarpus fraxinifolius*, *Dalbergia lanceolaria*, *Lagerstroemia microcarpa*.
- To establish germplasm assemblage of *Albizia odoratissima*, *Terminalia paniculata*, *Acrocarpus fraxinifolius*, *Dalbergia lanceolaria*, *Lagerstroemia microcarpa*.

Duration: 2024-2027

Funding Agency: Kerala Forest Department

Total Budget: Rs. 31.62 lakhs
